# About the Presenters and Their Topics

## Inner Healing of the Soul

Father Bill and his pastoral associate, Mary Alice Rossini, will share how faith heals our worldview, our worries and our fears, how hope heals addictions, how God's love heals loneliness, rejection and a poor self-image and how Christ's forgiveness heals sin, guilt and unforgiveness. In their talk they will share how we grow in faith, hope and forgiveness by living according to the principles of healing that St. John Paul II called for in the New Evangelization.

### Father Bill McCarthy

Father Bill is a dynamic and charismatic preacher whose wonderful sense of humor and joy for life exude from him. He has been giving parish missions for over 20 years and has spoken at 300 parishes throughout the United States. Father Bill is the co-founder and director of My Father's House, A Spiritual Life and Retreat Center in Moodus, Connecticut. Fr. Bill is a member of the Missionaries of Holy Apostles.

## Deliverance

Jesus, at the beginning of His ministry, told His Twelve, "As you go make this proclamation: 'The Kingdom of Heaven is at hand.' Cure the sick, raise the dead, cleanse lepers and drive out demons"—Mt 10:7. Deliverance has been a part of the Church since the beginning. It's part of the calling of Jesus to bring healing to people. How demons affect our lives today: how to defend ourselves, protect ourselves and be delivered.

### Father Jim Curtin

To know Father Jim is to love him! He has been a pastor of St. Dennis Catholic Church in Lockport, IL, for 18 years and involved in the healing ministry for 40 years, giving retreats and healing conferences. Every Sunday after the 9:15 and 11 AM Masses, Father Jim and his prayer team offer a laying on of hands and prayers for healing in the sanctuary at St. Dennis.

## Healing our Family Tree

Many of our gifts and hurts find roots in our families. Jesus has come to heal not just us individually, but also our families and ancestors. Jesus has provided a way of healing, by giving us, through His resurrection and our Baptism, His own family to be our new healed family. As we repent and are open to that new Holy Family, we can intercede for our extended family tree.

### Father Bob Sears, S.J.

Father Bob, a former professor of theology and psychotherapy, is a much-in-demand spiritual director, counselor, workshop and retreat presenter and writer on various aspects of healing. He is past president of ACTheals ([www.actheals.org](http://www.actheals.org)) an association dedicated to bringing Jesus' healing to healthcare providers. His articles and writings are available on his website: [www.familytreehealing.com](http://www.familytreehealing.com)

## Pornography

In 1920 Our Lady of Fatima said to Jacinta, one of the three seers, "the majority of people who go to hell do so because of the sin of lust." If that was true in 1917, how much more is it true now when pornography is readily available over the internet. As a confessor, I have discovered this to be the predominant sin people confess, yet little has been done to help free people of this evil addiction. It is evil because it is a sin that directly affects the desires of the heart, violating the prime commandment: "You shall love your God with all your heart, mind and souls; and you shall love your neighbor as yourself." Father John will address the nature of this evil and offer remedies for being delivered from it—so that one can experience true healing and peace through it.

### Father John Grigus OFM.Conv

Father John is a Conventual Franciscan of the St. Bonaventure Province. In May of 2014 he was elected as Vicar Provincial and became new Rector of the Shrine of St. Maximilian Kolbe at Marytown, where he was welcomed back with open arms. Father John ministered at Marytown for many years, directing the Perpetual Adoration Program and Media Communications. He then worked in other parishes, traveled extensively giving retreats and missions and was a weekly contributor to Relevant Radio's Inner Life program.
